

SHARP PORT SERVICES, INC.

PHILIPPINES

Sharp Port Services, Inc., has been providing Port Agency services all over the Philippines since 1937. From that time onwards, we have developed our expertise in cargo loading and discharging functions and also the handling of different ocean cruise vessels at all ports throughout the Philippines.

Sharp Port Services, Inc. aims to provide the very best of port agency services and our extensive coverage of the numerous out ports reinforces the commitment we make to provide our customers with the service they expect. We strive to maximize the range and quality of services, thereby providing our Principals with a service that is smooth and stress-free.

Sharp Port Services, Inc. ensures the smooth operations of its Principals' vessels here in the Philippines by maximizing the co-operation, which has been built on since 1937, with the different Philippine agencies involved.
